Excepted from this are vicarious agents and service providers, so-called contract processors in accordance with Art. 28 GDPR, who are obliged in writing by the person responsible for data protection and data security. |
| Storage period or criteria to determine the period | The survey is always voluntary. The results are stored with your customer data record and remain stored for the legally permissible retention period or until a possible prior revocation. The data will be deleted as soon as they are no longer required for the purpose of their processing. |
| Your rights | You have the right of access, rectification, erasure and limitation of processing of the personal data concerned, the right to object to processing and a right of data transferability. You also have the right to complain to a supervisory authority. |
